Safeguarding God's People Training Today

If you serve on the Bishop's Committee, or as a lay reader, chalice bearer, or small group leader then you are required to take the class. We begin at 12:00 in the room next to Father Mike's office.

Are you a “fan” or a “follower”?

Our small group sign ups begin today. As you leave worship, please take the time to sign up at the table in the narthex. We will study the book, “Not a Fan” which closely studies the question above. There is a BIG difference between “fans” and “followers”. St. Catherine's offers you the chance to be a part of this groundbreaking formation opportunity. We ask for 100% participation. The classes will begin during the season of Lent and they will last for 6 weeks. There are a variety of times during the week for you to sign up and some of them offer childcare. We have 11 facilitators ready to lead us through a study of this awesome book!!!

What is a “Wine Study and Bible Tasting”? Is this a misprint?

Well...no. Several months ago we heard about this awesome program being used by another church in another part of the country. We liked it so much we thought we'd give it a try and what a huge success it's been!! We begin with a Bible Study that covers a wide range of topics; all participants are asked to bring their bibles. Then, after the Bible study, we have a wine tasting that studies certain types of wine from different regions...we have our own “in house expert” who walks us through the process. Participants bring food and wine to share. This month we will feature “dessert wines”.

The date is January 27th. We begin at 7:00 in Craig and Sharon Alexander's home; 718 Oyster Shell in Missouri City. Please RSVP by emailing Traci Heineman at tjheineman@comcast.net.
