

ST. CATHERINE EPISCOPAL SCHOOL

Fall, family, friends, smiles, laughs & hugs are some of the best things in life and they are all free

Dear Parents, We are off to a great start and everyone is to be congratulated for the smooth "phasing-in" process. Thank you! What a great beginning we have had! We are already into the 2nd month. Children are happy and have adjusted nicely to the routine of school.

Looks of, "I Can't Do it" are turning into looks of, "I DID IT!" It is very rewarding for us as teachers to witness this transition.

The Pumpkins are coming!!!

If you have any fall flowers or decorations to decorate the Pumpkin Patch feel free to drop them off in school office We will be needing volunteers to help unload the pumpkins on October 10^h @ 3:00 pm. If you would like to volunteer please call Ms. Janie at church office 281-778-2046. We are also needing volunteers to help run the pumpkin patch.

Here is the link for volunteer to sign up.

Parent Teacher Conferences will be held in the month of October. Email your child's teacher if interested and schedule one, before school or afterschool.

When your child mutters those five words in the morning before school, please don't pass it off as an attempt to stay home from school. Flu season is here! If your child has a fever, sore throat, diarrhea, vomiting and/or congested cough, he/she must not come to school. This is for the safety of all the children as well as the teachers. Your cooperation is greatly appreciated. Remember, your child must be free from fever, diarrhea and related symptoms for at least 24 hours before they will be allowed to return to school. We will send home any child who doesn't feel well whether he/she has a fever or not. Thank you again for your efforts in assisting us.
